(Misuse or unauthorized issuing of this pass is FRAUD)

Owner:

Carol Turnham

Initials:

C.T.

Date:

March 4 '14

(Please print in RED ink)

Please note: Strata 799 wishes to inform users of this pass that the MAIN Alpine Village parking lot is across from the Mt. Washington General Store. Whenever possible, please park your vehicle in this main lot after you have unloaded your luggage/supplies. This action will alleviate the over crowding in the other (Henry Road & Dobugan's) Strata 799 parking lots. Thank you very much.

Rules of the 799 parking lots are as follows: (*TEMPORARY IS ABOUT ONE WEEK!)

Vehicles may not park in areas marked "snow dump". Vehicles will be towed* or moved from this area immediately. The ALPINE VILLAGE, Strata 799 & its contractors/operators shall not be responsible for theft, loss, or damage to vehicles in our parking lots. Parking in 799 lots is at your own risk. Please park on centre lanes, lot perimeter or marked rows and 2-3 feet apart to avoid excess snow build up between vehicles and save space.

When more than 6" (15cm) of snow falls in a 24-hour period you should check your vehicle, clear away snow & move to a clear spot in the lot if one is available. Ministry of Highways WILL TOW any cars parked on Strathcona Parkway, Nordic/Henry Roads, Upper Henry Turn Around or Foster's Place. The drive-to properties on Henry Road & Foster's Place provide parking for their guests only. DO NOT park in their lots.

* Georgia Straight Towing Ltd. does recovery services as well. They are well equipped to assist with boosts, locked in keys, supply air and small amounts of fuel. For 24 hr assistance call 250-338-9899.

Thank you for easing parking over-use by CAR POOLING.

The ALPINE VILLAGE, Strata 799, Mount Washington
